SECTION 1 — PARTIES AND PREMISES

This Standard Commercial Office Lease Agreement ("Lease") is entered into as of August 25, 2026 (the "Effective Date"), by and between **La Jolla Commons Property Owner, LLC**, a Delaware limited liability company ("Landlord"), and **Coastal Retail Group LLC**, a California limited liability company ("Tenant"). Landlord and Tenant are sometimes referred to herein individually as a "Party" and collectively as the "Parties."

Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, those certain premises consisting of approximately 3,420 rentable square feet designated as Suite 214, located on the second floor of the building commonly known as La Jolla Commons, situated at 8910 University Center Lane, San Diego, California 92037 (the "Building"), together with the non-exclusive right to use the Common Areas of the Building and the underlying land (collectively, the "Premises"), as further depicted on the floor plan attached hereto as **Exhibit A**.

The Premises are leased together with appurtenant rights of ingress and egress, and the non-exclusive right, in common with other tenants of the Building, to use the Common Areas, including lobbies, elevators, stairwells, restrooms on multi-tenant floors, and the loading dock designated for tenant use on the ground level of the Building.

SECTION 2 — TERM AND COMMENCEMENT

The term of this Lease (the "Term") shall be sixty (60) months, commencing on October 1, 2026 (the "Commencement Date") and ending on September 30, 2031 (the "Expiration Date"), unless sooner terminated or extended as provided herein.

2.1 Early Access. Provided Tenant has delivered evidence of insurance required under Section 22 and is not otherwise in default, Landlord shall permit Tenant and its contractors access to the Premises up to fifteen (15) days prior to the Commencement Date solely for the purpose of installing furniture, fixtures, and low-voltage cabling, without obligation to pay Base Rent during such early access period.

2.2 Renewal Option. Provided Tenant is not in default beyond any applicable cure period, Tenant shall have one (1) option to renew this Lease for an additional term of five (5) years, at ninety-five percent (95%) of the then-prevailing fair market rental rate for comparable space in the La Jolla / University Town Center submarket, exercisable by written notice to Landlord no later than nine (9) months prior to the Expiration Date.

SECTION 3 — PERMITTED USE

Tenant shall use the Premises solely for general office use, including administrative operations, sales support functions, and ancillary uses reasonably related thereto, and for no other purpose without Landlord's prior written consent, which consent shall not be unreasonably withheld, conditioned, or delayed. Tenant shall not use or permit the Premises to be used for any purpose that would violate any exclusive use rights previously granted to other tenants of the Building, or that would constitute a public or private nuisance.

SECTION 4 — BASE RENT

Tenant shall pay to Landlord, without deduction, offset, prior notice, or demand, monthly installments of base rent ("Base Rent") according to the schedule set forth in **Exhibit B**, attached hereto and incorporated herein by this reference. A summary of the Base Rent schedule is set forth below:

Lease Year	Period	Annual Rate (per RSF)	Monthly Base Rent	Annual Base Rent

2	10/01/27 – 09/30/28	\$53.56	\$15,264.60	\$183,175.20
3	10/01/28 – 09/30/29	\$55.17	\$15,723.45	\$188,681.40

5	10/01/30 – 09/30/31	\$58.53	\$16,681.05	\$200,172.60

Base Rent shall be payable in advance, without notice, on or before the first day of each calendar month during the Term, at the office of Landlord's property manager or at such other place as Landlord may designate in writing. If the Commencement Date falls on a day other than the first day of a calendar month, Base Rent for such partial month shall be prorated on a per diem basis.

4.1 Late Charges. Any Base Rent, Additional Rent, or other charge not received by Landlord within five (5) days after its due date shall accrue a late charge equal to five percent (5%) of the overdue amount, plus interest at the lesser of twelve percent (12%) per annum or the maximum rate permitted by law.

SECTION 5 — OPERATING EXPENSES AND BASE YEAR

This Lease is a Full Service Gross Lease with a Base Year Stop. Landlord shall be responsible for all Operating Expenses incurred in the Base Year (calendar year 2027, the "Base Year"). Commencing with the first full calendar year following the Base Year, Tenant shall pay, as Additional Rent, Tenant's Proportionate Share (5.8%) of the amount by which Operating Expenses in each subsequent calendar year exceed Operating Expenses incurred during the Base Year.

"Operating Expenses" shall mean all reasonable costs of operating, maintaining, repairing, and managing the Building, including but not limited to real property taxes, property insurance premiums, utilities for Common Areas, janitorial services, landscaping, security, elevator maintenance, and a management fee not to exceed four percent (4%) of gross rents, but excluding capital improvements (except as amortized in accordance with generally accepted accounting principles), depreciation, debt service, and costs of leasing or marketing vacant space.

SECTION 6 — SECURITY DEPOSIT

Upon execution of this Lease, Tenant shall deposit with Landlord the sum of **\$29,641.20** (equal to two months of Lease Year 1 Base Rent) as a security deposit (the "Security Deposit"), to be held by Landlord as security for Tenant's faithful performance of its obligations under this Lease. The Security Deposit shall not bear interest and may be commingled with Landlord's other funds to the extent permitted by applicable law. Within twenty-one (21) days after the expiration or earlier termination of this Lease and Tenant's surrender of the Premises in the condition required hereunder, Landlord shall return any unapplied portion of the Security Deposit to Tenant.

SECTION 7 — UTILITIES AND SERVICES

Landlord shall furnish to the Premises, as part of Operating Expenses, reasonable quantities of electricity for lighting and standard office equipment, heating, ventilation and air conditioning ("HVAC") during Building Standard Hours (Monday through Friday, 7:00 a.m. to 6:00 p.m., and Saturday 8:00 a.m. to 1:00 p.m., excluding holidays), water for restrooms and drinking, and elevator service. Tenant may request after-hours HVAC service at a rate of \$45.00 per hour, subject to Landlord's building engineering schedule and twenty-four (24) hours' advance notice.

Landlord shall not be liable for any failure to furnish, or delay, diminution, or interruption in furnishing, any of the foregoing services when such failure is caused by breakage, repairs, strikes, or causes beyond Landlord's reasonable control, provided Landlord uses commercially reasonable efforts to restore such services promptly.

SECTION 8 — SIGNAGE

Tenant shall be entitled, at Tenant's sole cost, to one (1) suite-entry identification sign of standard Building design adjacent to the Premises entrance, and to inclusion on the Building's main lobby directory, subject to Landlord's prior written approval of design, size, and placement, which approval shall not be unreasonably withheld.

SECTION 9 — MAINTENANCE AND REPAIRS

9.1 Landlord's Obligations. Landlord shall be responsible, as an Operating Expense, for maintenance and repair of the Building structure, roof, exterior walls, foundation, Common Areas, Building-standard mechanical, electrical, and plumbing systems, elevators, and the loading dock facilities serving the Premises, except to the extent any such condition arises from the negligence or willful misconduct of Tenant, its employees, agents, contractors, or invitees.

9.2 Tenant's Notice Obligation. Tenant shall provide written notice to Landlord of any condition within the Premises or Building requiring repair, including but not limited to water intrusion, leaks, HVAC malfunction, or damage to Building systems, within forty-eight (48) hours of Tenant's discovery of such condition. Such notice shall be delivered to Landlord's notice address set forth in Section 14. Tenant's failure to provide timely notice may limit Tenant's remedies under this Section to the extent such delay materially increases the cost or scope of repair.

9.3 Tenant's Obligations. Tenant shall, at its sole cost, maintain the interior, non-structural portions of the Premises in good condition, including interior partitions, floor coverings, and any supplemental equipment installed by or for Tenant, ordinary wear and tear and casualty excepted.

SECTION 10 — ALTERATIONS AND IMPROVEMENTS

Tenant shall not make any alterations, additions, or improvements to the Premises exceeding \$10,000 in aggregate cost without Landlord's prior written consent, which consent shall not be unreasonably withheld for non-structural alterations. All alterations shall comply with applicable building codes and be performed by contractors reasonably approved by Landlord. Upon expiration or termination of this Lease, Landlord may require Tenant, at Tenant's expense, to remove any alterations designated by Landlord at the time consent was granted and restore the Premises to their condition prior to such alterations, reasonable wear and tear excepted.

SECTION 11 — ASSIGNMENT AND SUBLETTING

Tenant shall not assign this Lease or sublet all or any portion of the Premises without Landlord's prior written consent, which shall not be unreasonably withheld, conditioned, or delayed, provided that the proposed assignee or subtenant has a net worth and business reputation reasonably comparable to Tenant's. Landlord shall respond to any request for consent within thirty (30) days of receipt of all information reasonably required to evaluate the request. Any change of control of Tenant resulting from a merger, consolidation, or transfer of a controlling interest shall be deemed an assignment subject to this Section, except for transfers to an affiliate under common control with Tenant.

SECTION 12 — INSURANCE

Landlord shall maintain commercial property insurance covering the Building (excluding Tenant's personal property and trade fixtures) and commercial general liability insurance covering the Common Areas, in amounts and with deductibles consistent with prudent management of comparable office buildings in the San Diego market.

Tenant shall, at its sole cost, maintain in full force during the Term: (a) commercial general liability insurance with limits of not less than \$2,000,000 per occurrence and \$4,000,000 in the aggregate, naming Landlord, Landlord's property manager, and any mortgagee designated by Landlord as additional insureds; (b) property insurance on a replacement cost basis covering Tenant's personal property, trade fixtures, and any Tenant-installed improvements; and (c) workers' compensation insurance as required by applicable law. Tenant shall furnish Landlord with a current Certificate of Insurance evidencing the foregoing coverage prior to occupying the Premises and upon each policy renewal, as further described in Section 22.

SECTION 13 — INDEMNIFICATION AND WAIVER OF CLAIMS

Tenant shall indemnify, defend, and hold harmless Landlord from and against any claims, damages, liabilities, and reasonable attorneys' fees arising from Tenant's use of the Premises or from any negligent act or omission of Tenant, its employees, contractors, or invitees, except to the extent caused by the negligence or willful misconduct of Landlord, its employees, or agents. Each Party waives any claim against the other for business interruption or consequential damages arising from this Lease, except in cases of gross negligence or willful misconduct.

SECTION 14 — NOTICES

All notices, demands, consents, or other communications required or permitted under this Lease shall be in writing and shall be deemed duly given upon (a) personal delivery, (b) confirmed email transmission with a read receipt or written confirmation of receipt, or (c) three (3) business days after deposit in the United States mail, certified, return receipt requested, addressed as follows:

SECTION 15 — DEFAULT AND REMEDIES

15.1 Events of Default. Each of the following shall constitute an event of default by Tenant: (a) failure to pay Base Rent or Additional Rent within five (5) days after written notice of non-payment; (b) failure to perform any other obligation under this Lease within thirty (30) days after written notice, or such longer period as reasonably required if Tenant commences cure within such period and diligently pursues completion; or (c) Tenant's filing for bankruptcy or making an assignment for the benefit of creditors.

15.2 Remedies. Upon an uncured event of default, Landlord may, in addition to any other remedy available at law or in equity: (a) terminate this Lease and recover damages, including the present value of the excess of rent due over the fair market rental value of the Premises for the remainder of the Term; (b) re-enter and relet the Premises on Tenant's behalf, applying net proceeds against amounts owed by Tenant; or (c) pursue any other remedy permitted under California law. All remedies are cumulative.

SECTION 16 — DAMAGE, DESTRUCTION, AND CONDEMNATION

If the Premises are damaged by fire or other casualty such that repair cannot reasonably be completed within one hundred eighty (180) days, either Party may terminate this Lease by written notice within thirty (30) days of the casualty. If repair is feasible within such period, Landlord shall diligently restore the Premises to substantially the condition existing prior to the casualty, and Base Rent shall abate proportionately during the period the Premises are untenable. In the event of a taking of all or a substantial portion of the Premises by eminent domain, either Party may terminate this Lease as of the date possession is required by the condemning authority.

SECTION 17 — HOLDOVER

If Tenant remains in possession of the Premises after the expiration of the Term without Landlord's written consent, such holdover shall create a tenancy at sufferance at a Base Rent equal to one hundred fifty percent (150%) of the Base Rent in effect immediately prior to expiration, and Tenant shall otherwise remain subject to all other terms of this Lease, without any renewal of the Term.

SECTION 18 — PARKING

Tenant shall be entitled to twelve (12) unreserved parking permits in the Building's parking structure at the prevailing monthly rate charged to Building tenants generally, currently \$95.00 per permit per month, subject to adjustment from time to time by Landlord upon thirty (30) days' notice.

SECTION 19 — COMPLIANCE WITH LAWS; ADA

Tenant shall comply, at its sole cost, with all applicable laws, ordinances, and regulations relating to Tenant's specific use and occupancy of the Premises, including the Americans with Disabilities Act ("ADA") as it pertains to Tenant's improvements and business operations. Landlord shall be responsible for compliance with the ADA as it pertains to the Building's Common Areas and base building systems.

SECTION 20 — ENVIRONMENTAL MATTERS

Tenant shall not use, store, or dispose of any Hazardous Materials in or about the Premises except for customary office and cleaning supplies used in compliance with applicable law. Landlord represents that, to Landlord's knowledge, the Premises are free of Hazardous Materials in violation of applicable environmental laws as of the Effective Date.

SECTION 21 — QUIET ENJOYMENT

Landlord covenants that, so long as Tenant performs its obligations under this Lease, Tenant shall peaceably and quietly hold and enjoy the Premises for the Term, subject to the terms of this Lease and any mortgage, ground lease, or other encumbrance to which this Lease is subordinate.

SECTION 22 — TENANT INSURANCE CERTIFICATE REQUIREMENTS

Tenant shall furnish Landlord a Certificate of Insurance evidencing the coverage required under Section 12, naming Landlord as additional insured, prior to occupying the Premises and no later than thirty (30) days prior to expiration of any such policy. Certificates shall be delivered to the notice address for Landlord set forth in Section 14 or transmitted electronically to the property management office. Failure to maintain current evidence of insurance on file with Landlord shall constitute a default subject to the cure periods described in Section 15.

SECTION 23 — SUBORDINATION, NON-DISTURBANCE AND ATTORNMENT

This Lease is subject and subordinate to any mortgage, deed of trust, or ground lease now or hereafter affecting the Building, provided that any such mortgagee or ground lessor agrees, in a commercially reasonable non-disturbance agreement, not to disturb Tenant's possession of the Premises so long as Tenant is not in default beyond applicable cure periods.

SECTION 24 — ESTOPPEL CERTIFICATES

Within fifteen (15) business days after written request, Tenant shall execute and deliver to Landlord an estoppel certificate certifying such factual matters as Landlord may reasonably request regarding the status of this Lease, including the amount of rent then due, the absence of known defaults, and the remaining Term.

SECTION 25 — BROKERS

Each Party represents to the other that it has not dealt with any real estate broker or agent in connection with this Lease other than CBRE, Inc. (representing Landlord) and Cushman & Wakefield (representing Tenant), whose commissions shall be paid by Landlord pursuant to separate written agreements. Each Party shall indemnify the other against claims by any other broker claiming to have represented the indemnifying Party.

SECTION 26 — FORCE MAJEURE

Neither Party shall be deemed in default for any delay in performance (other than the payment of money) caused by acts of God, government restrictions, labor disputes, unavailability of materials, fire, or other causes beyond such Party's reasonable control, provided the affected Party uses commercially reasonable efforts to mitigate the delay.

SECTION 27 — MISCELLANEOUS PROVISIONS

27.1 Governing Law. This Lease shall be governed by the laws of the State of California.

27.2 Entire Agreement. This Lease, together with its Exhibits, constitutes the entire agreement between the Parties and supersedes all prior negotiations, representations, and agreements, whether written or oral.
